## ▼ LET THE GOOD TIMES ROLL.....Student Life

A typical day in the life of the J.P. student is revealed; the trends, the cars and the jobs of prominent J.P. students are included in this section. This is how the "good times roll"(ed).

## ▼ AS GOOD AS IT GETS.....Faculty

When it comes to the faculty and staff at J.P., we have it "as good as it gets". Our faculty and staff give all they can to help the students succeed; they provide help sessions and act as advisors for our clubs and activities. This section gives them some well-deserved recognition.

## ▼ GOOD AND READY.....Grade Ten

Senior High can be scary at first, especially in a school as big as J.P. This year, the grade tens seemed to be "good and ready" to enjoy life in high school, where some of life's biggest decisions and choices await them.

## ▼ GOOD GOING.....Athletics

J.P.'s athletes achieved many successes this year. Our teams, coaches and supporters worked together to show what teamwork, sportsmanship and J.P. pride are all about.

## ▼ SO FAR, SO GOOD.....Grade Eleven

After completing Grade Ten, our Grade Elevens are now familiar with the ins and outs of the school and have discovered their niche at J.P. Our Grade Elevens show us what being in Grade Eleven is all about.

## ▼ LOOKING GOOD.....Fine Arts

The Fine Arts department at J.P. is definately "looking good". Our drama productions, art displays and music concerts are highlighted in this section.

## ▼ TOO GOOD TO BE TRUE.....Grade Twelve

Graduation, diploma exams, and decisions about life after high school are all important factors in students' lives during their final year at J.P. Is it "too good to be true"? Let's see what the Grade Twelves have to say.

## ▼ TOO GOOD TO FORGET.....Interests and Activities

Regardless of why we get involved, our clubs, S.U. activities and intramurals give us something to help make our years at J.P. memorable.

## LET THE GOOD TIMES ROLL!

### Back to School at JP

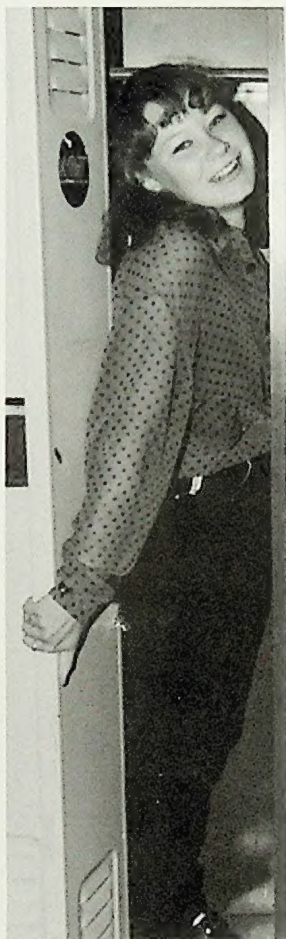

After two months of fun, relaxation, and sun (when it wasn't snowing, of course), students could once more be found in the hallways, classrooms, cafeteria, or gym. We very quickly had to shift from that 'relaxation mode' to one of utter panic and mayhem. I.D. pictures had to be taken; fees had to be paid; bus passes had to be bought; course changes had to be made. And all of this meant just one thing, of course - one loooooong lineup after another. But isn't it good to be back?

Page 3 - Clockwise with top: This conscientious student quickly realizes that the relaxing days of summer are definitely over! D. Jomha and N. Hamze have a laugh over lunch in the cafeteria. K. Layton wants everyone to know that he is extremely happy to be back in school. Who needs posters? S. Johnson and S. Turner do a fine job of decorating these lockers themselves.

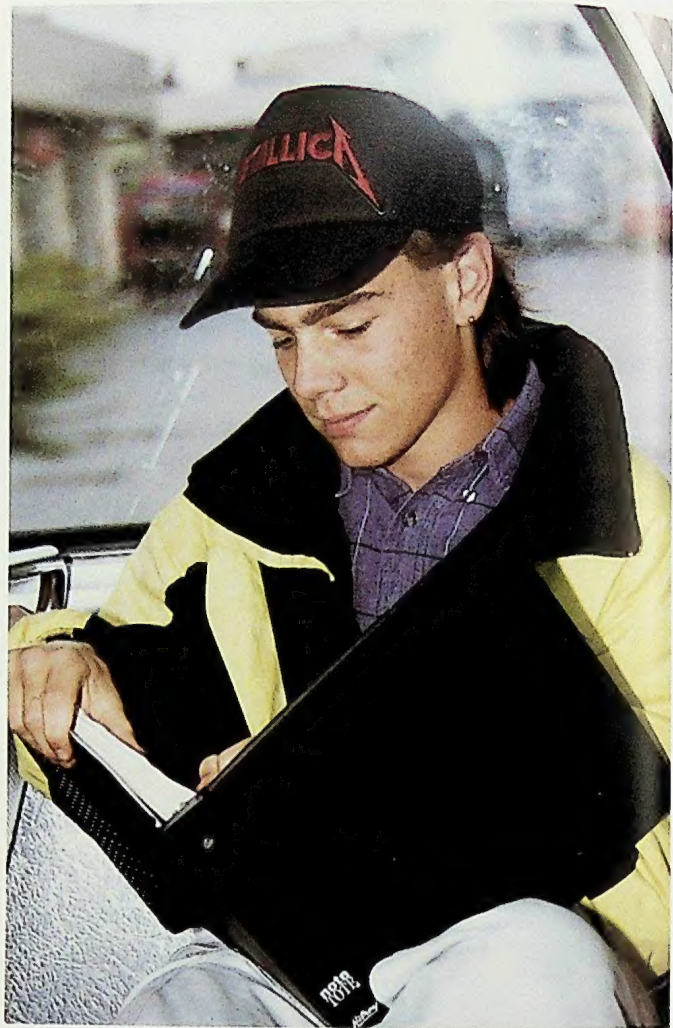

Page 2 - Top left: C. Leung pays close attention at the Grade 12 assembly, while B. Dagg catches up on the sleep he missed during the summer. Top middle: "I can't believe this handsome devil is actually me!" J. Lafferty and S. Pomerleau have a good laugh at Shane's I.D. card. Centre left: After waiting in line, C. Bill finally reaches Mrs. Nelson - the keeper of the almighty bus passes. Centre right: The lineup for bus passes seems to get longer every year! Actually, our camera caught JP students spending their last day of summer registering for another year of school. Bottom left: Ms. Johnston stocks the library shelves for another school year with some of her favorite books. Bottom right: D. Salmon is a picture of concentration as he mans the camera during registration.

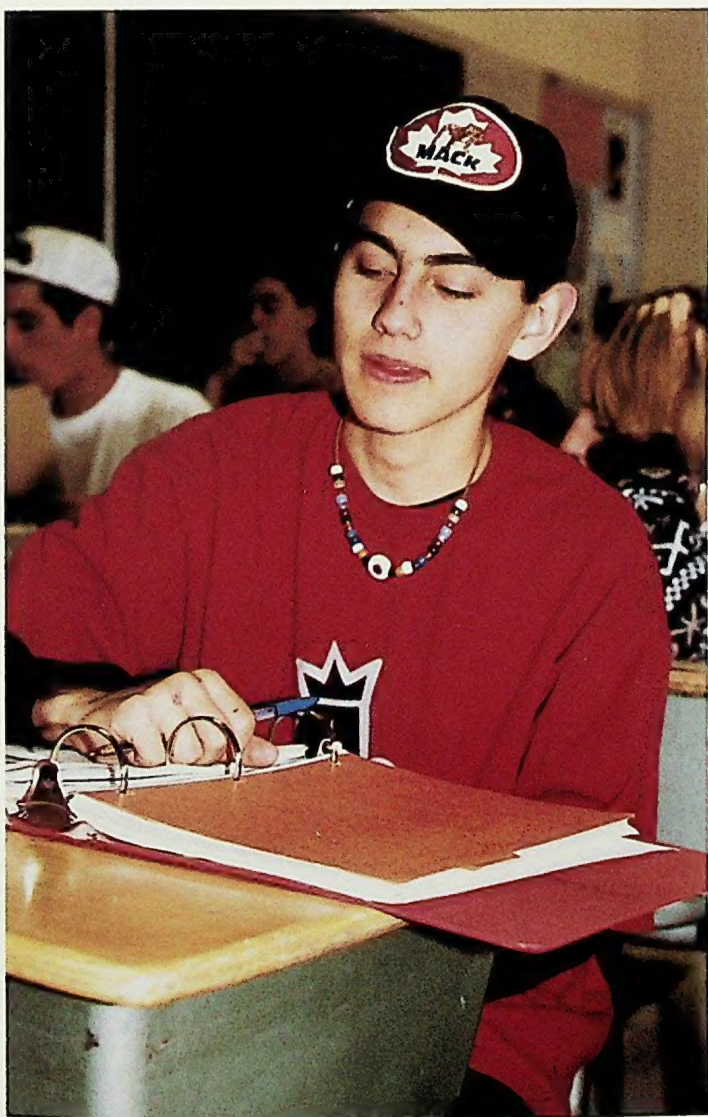

## A Day in the Life of a JP Student

So, just what does a Day in the Life of a JP Student involve? Well, we went out and tried to discover the answer to that question and realized that most JP students have a day which is filled with all sorts of activities, not to mention classes. The day for most of us starts off bright and early at around 6:30 when the sound of that incessant alarm shocks us out of sleep. (There are always a few, and we found one, who just keep pushing that snooze button one time too many). For those of us who are lucky, the day ends at 2:45, but we found many students who are in the building until well after 5:00. Here, with a few liberties, is our impression of the Day in the Life of a JP Student!

Top row with left: 7:59 - M. Anderson seriously debates the merits of getting out of bed for another day of school. 8:05 - B. Helberg does some very last minute studying on the bus to school. 8:09 - R. Alvarez quickly searches for her homework assignment before the bell. 10:20 - "I sure hope Mom likes these earrings that I'm making." B. Smart shows intense concentration in his welding class.

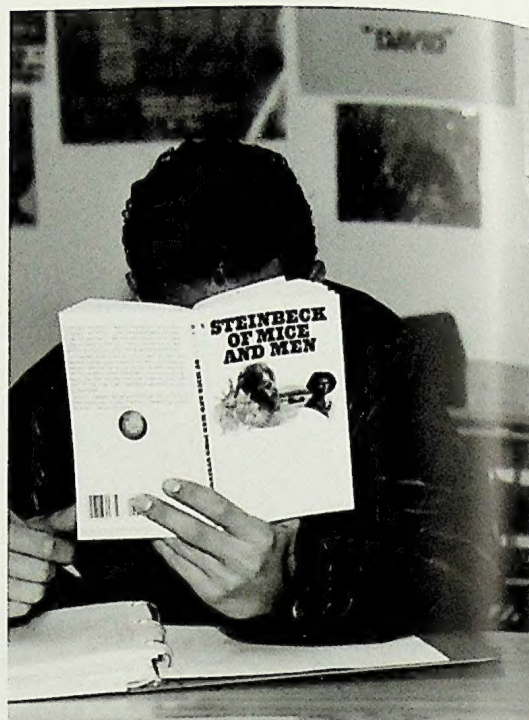

Bottom row, starting with extreme left:  
 11:10 - "I'm so hungry, I could eat the bag." A. Crawford and M. Ryhochuck grab lunch and join the crowd in the Student Lounge. 11:30 - "Poncho wants a cracker." B. Grovet spends some time working in the zoo during the lunch break. 12:25 - T. Gale is caught in a state of high concentration during class. 4:00 - JP students gather around the tube for 'love in the afternoon.' 2:47 - "Why does it take 15 minutes for students to get from one class to another, but only two minutes to clear the building after school?" (Overheard in the Teachers' Diningroom).

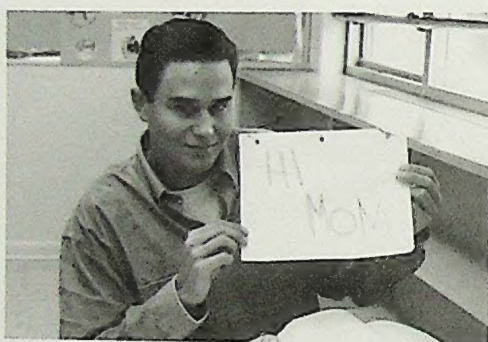

## CLASSIC CLASSROOM CANDIDS

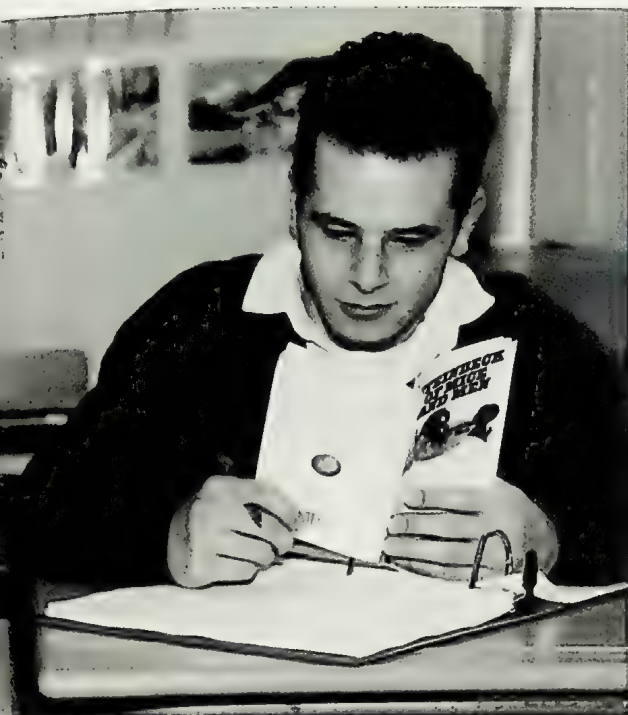

JP students can't stop those good times from rolling, even in class. Life is never dull, especially when you have book reports due, art projects to complete, cars to take apart, or frogs to dissect. An often heard complaint is that "I don't have enough time to do everything!" With part-time jobs, extra-curricular clubs and sports, class work can often take a back seat. But effective time management is the key to keep yourself from getting burnt out while attempting to earn those all-important 100 credits.

“My biggest problem is procrastination. I leave for tomorrow what was due yesterday!”

Clockwise with far top right: B. Lieberman puts the finishing touches on her newest masterpiece. D. Robinson has her concentration broken by our photographer. B. Harris looks on in amusement as M. Purger attempts to solve the eternal mystery of English class. Is K. Lee attempting to come up with a good excuse for not having his homework done? R. Main and K. Parkinson are spellbound during the rehearsal of the latest Drama production. M. Cannon takes time out for an important message for his mother. R. King is caught hard at work in his Automotives class. T. Jomha and M. Jomha find that reading a Steinbeck novel takes a great deal of concentration.

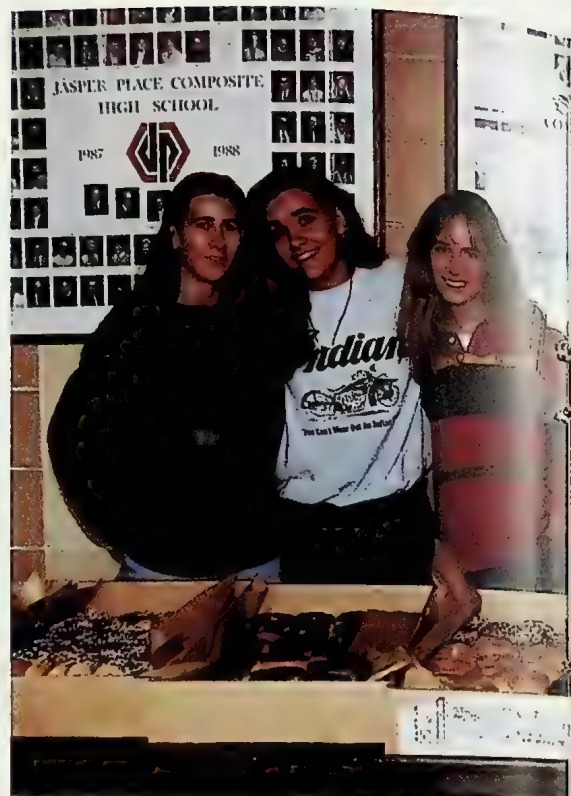

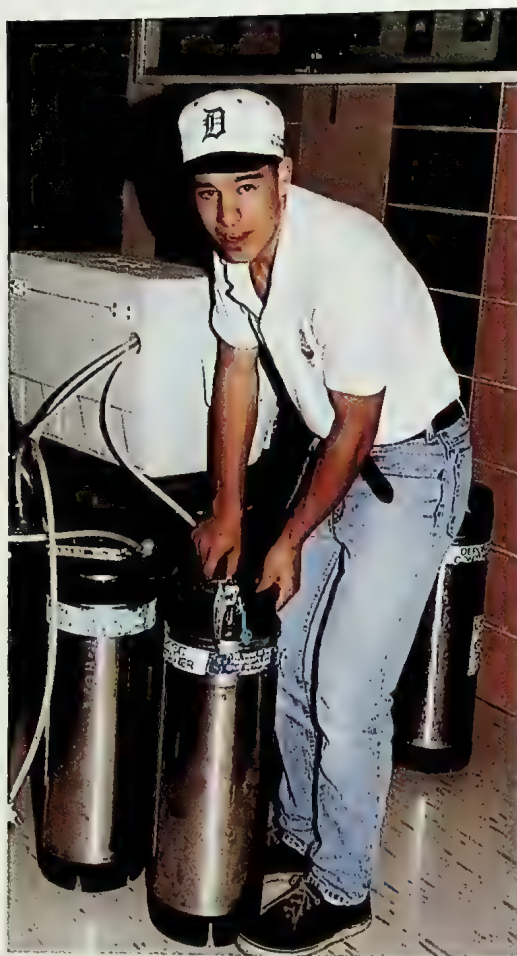

## COLOUR DAY/WELCOME BACK BBQ

Once again, the Students' Union out did itself during what has become an annual tradition at Jasper Place - the Welcome Back Barbeque. The cool September weather forced the event indoors for the first time in years, but the fun was not diminished. After sampling the delicacies, students raced to the Student Lounge where an exciting dance performance enthralled all those who were able to get through the crowd for a view. School colours could be seen throughout the school as everyone showed off their red, black and white.

What was the best part of the Barbeque?

The guys dancing in the Student Lounge. J.W.  
The doughnuts, definitely the doughnuts! K.F.  
Watching the S.U. slaving over a hot grill. T.D.

Top middle: S. Maxfield, S. Litchfield, Y. Petaske, M. Coley, D. Sitas, and N. White guard the most priceless commodity at the Barbeque - the doughnuts! Above: Showing your true colours... T. Mannick and M. McKenzie show their JP pride on Colour Day. Top left: Hey, this wasn't in my job description! S.U. member A. Waugh wrestles with a pop tank during the BBQ. Left: Standing Room Only... students gather in the lounge to watch and cheer an impromptu dance during the BBQ.

Top right: Note to C. Brown - it really wasn't necessary to go to such great lengths to wear red and white during Colour Day. Right: C. Tan has an attractive smile for the camera while C. Ritchie panics about the burgers becoming too well-done.

# TIME CAPSULE OPENING

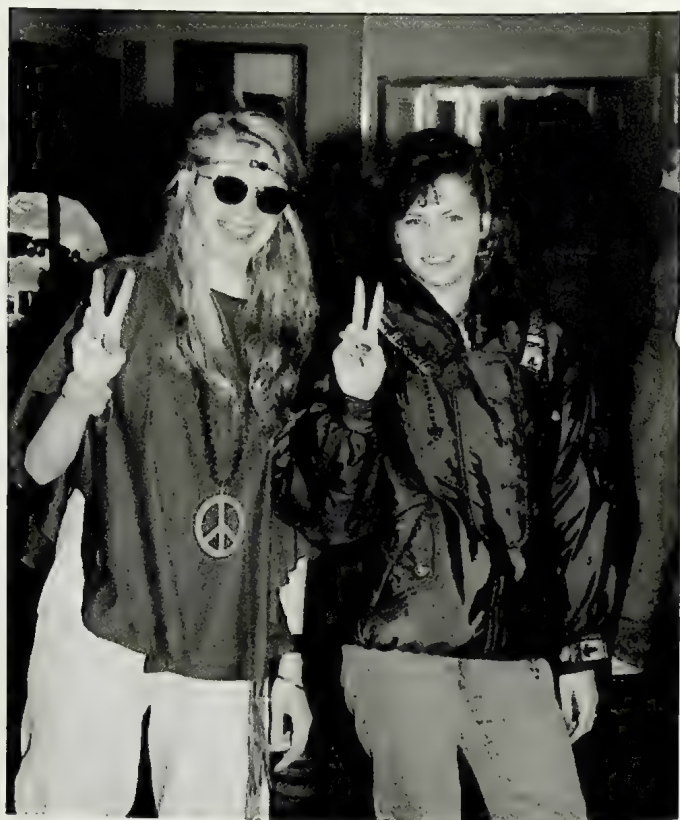

On October 10, 1992 Jasper Place played host to dozens of JP alumni from the 1967 graduating class. They, along with present SU members, school administrators, and local dignitaries, were on hand to watch as the time capsule, put together by the Class of '67, was officially opened. Items such as a school sweater from that year, a yearbook, school newspapers, old photographs, and their school mascot, the Shmoo, were discovered in the capsule. Our own SU members put together a number of items which were then placed into the time capsule, to be opened when some of us will have children attending JP!

Clockwise with Top Left: The 1967 class celebrated Canada's centennial by dedicating a plaque which was placed on the time capsule. One of the finds in the time capsule was a 1967 version of the school sweater. A must-have for the 1992 fall fashion season? Why, the baggy, drooping jeans worn with a huge shirt, of course. These students are all fashionably correct as they gather in the hallway during break. M. Coley's outfit says it all - denim shirts are hot!, hot!, hot! and anything by Esprit is a must. J. Taschuk and C. Carpenter prove that the hard rock look is never out of style. J. Kuczmarski was captured in the cafeteria sporting a look that was popular in the fall of '92 - a toque worn with very baggy jeans and a big, plaid shirt. Ms. Noerenberg, with T. Morgan, gets into the spirit of '60's Day during the opening of the time capsule. Mrs. Stiles and SU president K. White look on while speeches are made to commemorate the opening.

## TRENDS OF '92

WHAT WOULD YOU CATEGORIZE AS THE BIGGEST CHANGE BETWEEN THE JP OF 1967 AND THE JP OF 1992? "Well, when I was a student here in 1967, the Tower did not exist and the office was actually located where Student Services is today." Mrs. Mackay

# WORK EXPERIENCE

"Many students are being offered employment upon completion of work experience." Mr. Speakman

The 1992-93 school year was one of the most successful yet for the Work Experience department. Hundreds of students were placed by Mrs. Skelton and Mr. Speakman at various locations throughout the city, as well as some within the school itself. Work experience gives students the opportunity to discover which careers they may, and sometimes may not, be interested in for the future. It's a great way of earning extra credits, as well as job searching for a future career.

Clockwise, starting with left: N. Henderson mans the phone lines at one of the City Police offices. M. Ayers has a smile and a story for one of the children at the Jump 'N Jack Daycare. D. Svedberg shows off the latest in ski gear at Sport Chek. R. Davidson poses with Dr. Kott and a patient at a dental office. C. Szydluk is all smiles at his Work Experience site, Primrose Mohawk. J. Mosure is pictured hard at work at Prism Autobody. J. Lane works on a car at Westside Automotive. L. Perry works behind the counter at Astral Photo. L. Garib can be found in the Bay's Women's Department fulfilling her Work Experience requirements.

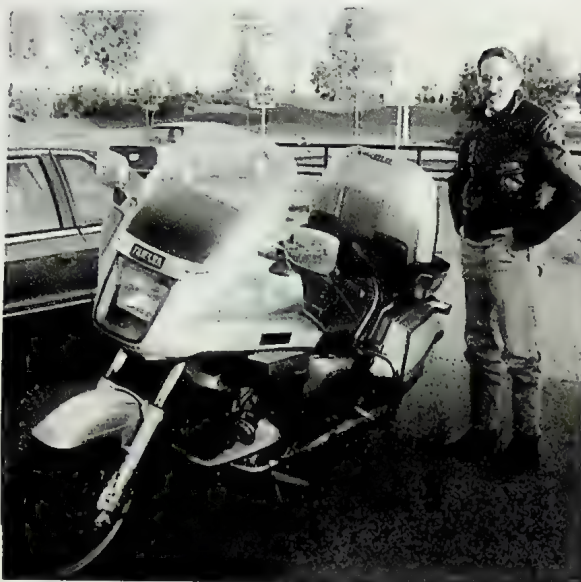

## THE GOOD, THE BAD, AND THE UGLY

### You Decide Which...

Well, we tried, but we just couldn't find any cars which fit the second and third categories - even in the teacher parking lot!! (Now if only Mr. Peterson had kept his old truck). According to our random survey, it seems that the vehicle of choice these days, especially for females, is the Jeep. Not having to rely on friends, older siblings, or worse, parents, for transportation to school, work, or parties was seen as a definite plus; the money spent on repairs, insurance, and gas was not.

Page 15 - Top right: J. Garipey paid for his '84 Mustang with a summer job. The biggest advantage? "Not having to take the bus." Middle: R. Price's '84 Monte Carlo has air conditioning! Need we say more?! Bottom right: The lack of inside door handles in R. Morrow's '79 Malibu Classic is outweighed by the "killer stereo." Clockwise with top centre: K. D'Obrenan(left), pictured with friend S. Musgrave, is the proud owner of an '85 Blazer 4X4. C. DeCock (left), with C. Prostebby, classifies his '85 Hyundai as a "piece of junk" which he got suckered into buying. Better luck next time! H. Hindman's pride and joy is her '88 pinstriped Daytona. When D. Grigat bought his '83 Suzuki Samurai, his primary concern was getting around in the cold Edmonton winters. E. Weinstein has one of the newer vehicles in the parking lot, a '91 Jeep Renegade named George. Advantage - picking up guys; disadvantage - half-owned by parents. Mr. Harris posed for our camera with his pride and joy just to prove that JP staff members do, in fact, lead somewhat interesting lives outside of school.

“Well, it  
does get me  
from Point A  
to Point B . . .

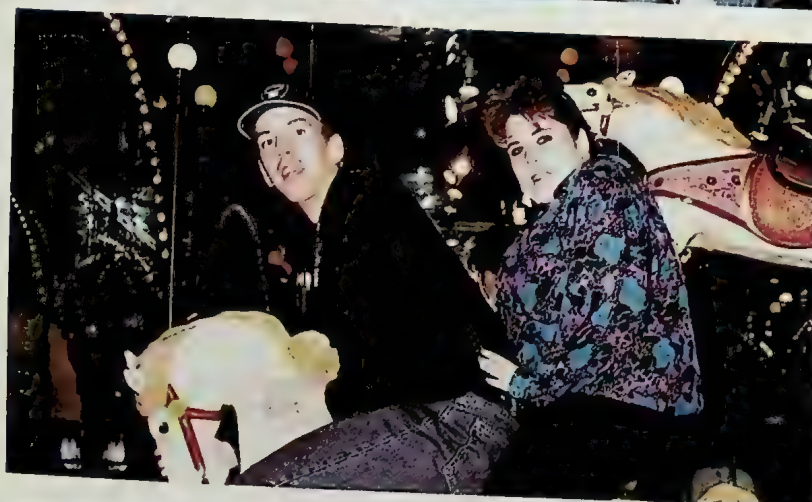

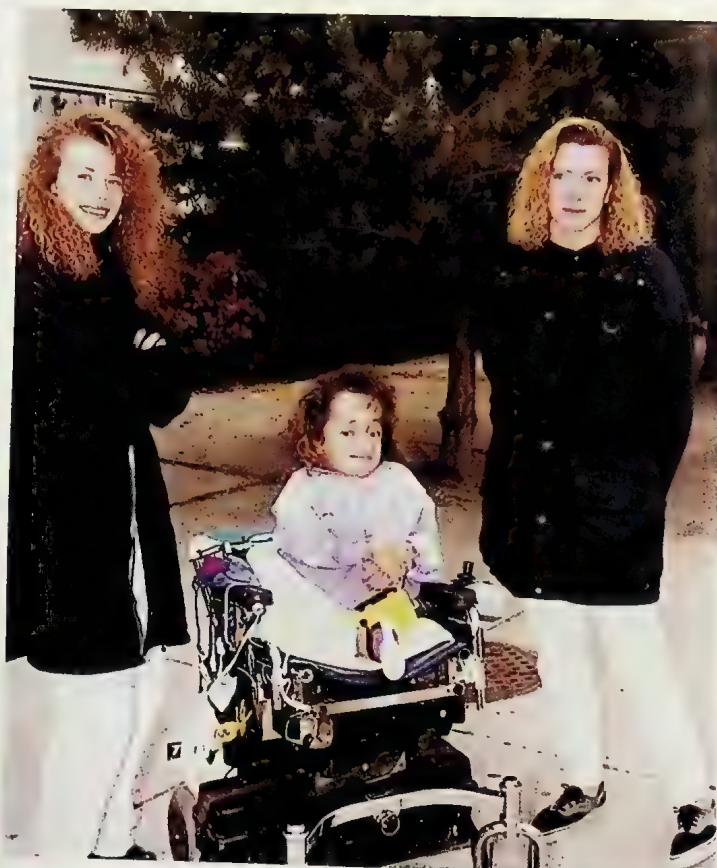

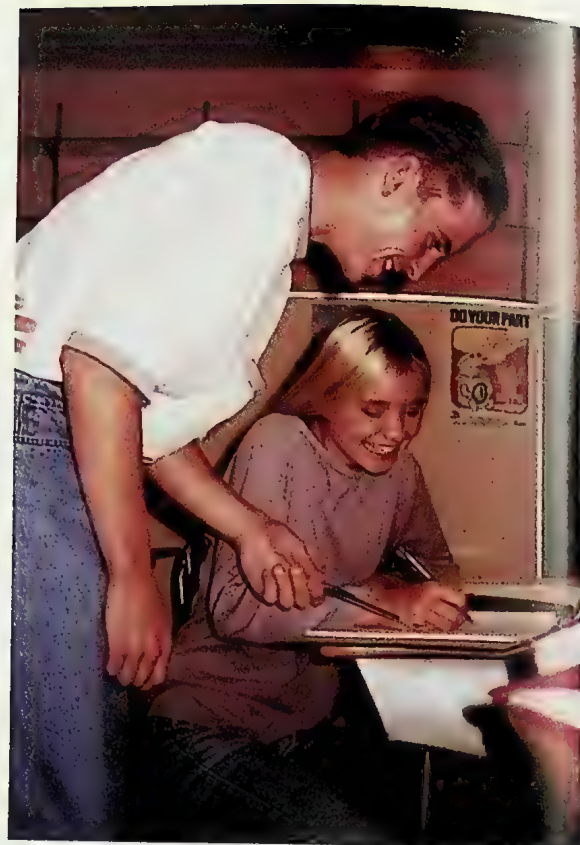

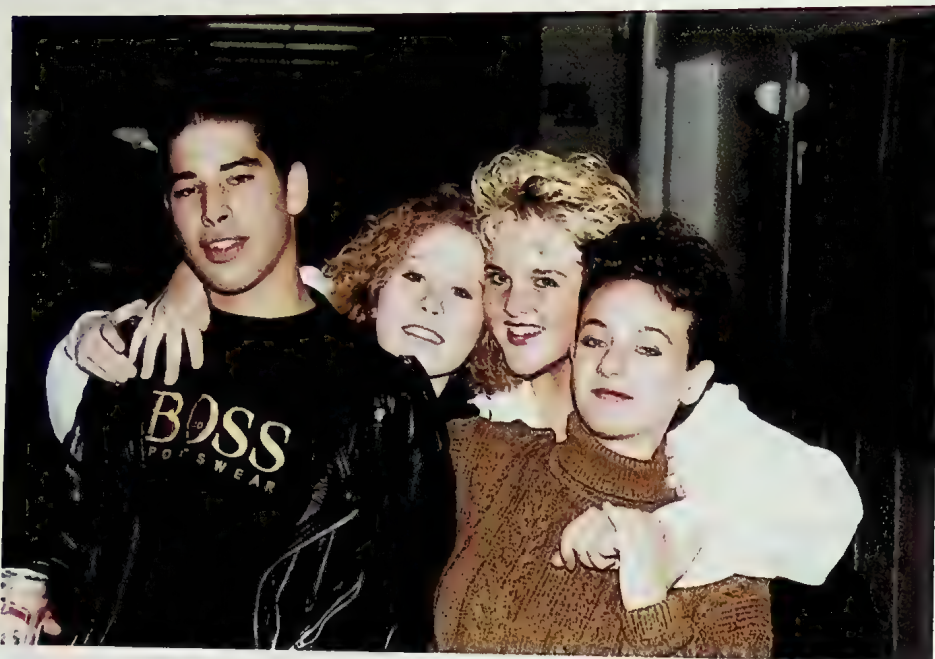

sometimes.

C. DeCock

## FRIENDS THROUGH GOOD AND BAD

Clockwise with top right: R. Patton and B. Antose share a laugh while working on an assignment. M. Rick, K. Menzies, and L. Dahmer make a pretty trio as they pose for our camera before calling it a day. N. Prudhon and T. Gayford are well on their way to gaining another victory for the JP Horse Racing Club. C. Brown, N. Ferdinand, M. Gaskin, and M. Elwin relax in the lounge during lunch. A. Jomha, A. Fournier, T. Sabourin, and S. Kennedy know that friends can help you make it through the day.

Clockwise with left: We have S. Thorlakson and M. Hewson's attention, but B. Byrne is captivated by something (or someone?) across the room. B. Needles, F. Lim, J. Parenteau, J. Stark, M. Stark, J. Stewart, A. Breakwell, and Quebec exchange student J. Arsenault enjoy each other's company during the lunch hour. These two students swear by the unofficial JP diet - doughnuts and slurpees are the only way to make it through the afternoon. J. Kocupchuk and A. Phillips catch up during registration. J. Tiedemann has no intention of letting his friend escape his grasp while the gang shares a laugh in the cafeteria. C. O'Quinn, M. Spofford, Russ, J. Bindon, L. Boeton, L. Broomfield, L. Ward, and C. Gladue enjoy the sunshine during break.

# FACULTY

The Jasper Place administration, teachers, and support staff are definitely 'as good as gold.' Their involvement in clubs and extra-curricular activities such as REB, Students' Union, Rebel Rouser, just to mention a few, is unparalleled. It's not every student body that can count on its staff the way that we can.

Our accomplishments, both in high school and in the years to follow, can, in large part, be directly attributed to the staff and teachers who guided us through those tumultuous three (and in many cases four) years of high school.

JP has a tremendous variety of teachers and staff members, all of whom have diverse backgrounds, hobbies, and interests. (Yes, as hard as it may be to believe, we have been told that they do have lives outside of school!) Even with the busy lives they lead away from JP, it is not an unusual sight to see staff members staying late to coach a team or provide extra tutoring, and then coming back later on in the evening for an awards program, an art show, or a music program.

Between complaining about homework, studying for tests, rushing to that after school job, we sometimes forget to recognize the efforts of all those who make up the JP staff - the support staff, the teachers, the custodians, the cafeteria staff, and the administrators. Their collective desire to provide the best learning environment for us makes them 'as good as gold.'

### PRINCIPAL'S MESSAGE

Congratulations to the yearbook staff on the publication of the 1992/93 yearbook. The photos and memories capture the tone and spirit of the school. "Never had it so good" is the theme for this year's publication, and it says it well! We are indeed fortunate to have such fine students, staff, and excellent facilities that allow students so many opportunities to succeed.

Jasper Place is an excellent school. Our aim is to prepare our students for excellence in every possible way. We believe we have created the school climate to allow that to happen.

Our students and staff have been involved in a wide variety of curricular and co-curricular activities throughout this year. This yearbook will allow us to treasure the memories of these activities and to think of them with pride.

The best of luck to every '93 graduate as you leave Jasper Place to embark on the future. I hope that the years ahead will be filled with exciting challenges for you. I wish you success and happiness.

Clockwise, with left: Mr. Buchkowsky helps students register for the 92-93 school year. Desi Noga and Jody Barrigan are all smiles as they receive a helping hand from Mr. Roberts. As usual, Mrs. Peterson lights up the resource room with her winning smile. Mr. Guilbault and Mrs. Wyley look like two counsellors on a mission. Mr. Renner takes a break from the never ending paper work. Could it be another wacky absence excuse which has attendance secretary, Mrs. Porter, so befuddled? Mr. Harris is indicative of all of JP's administrators - always there with a smile and a helping hand. Officer Garrity delivers an address to the '93 graduating class.

Clockwise, with left: Miss Gibbons managed to find a new best friend on the very first day of school! Mr. Burrows helps Carrie Bukvi figure out the timetable puzzle. Mr. Hardy discovers that the Math workroom is the perfect place to do marking. And they say teenagers spend too much time on the phone! Now the whole world knows the shameful secret of the Social Studies department - they're all a bunch of slobes and Mr. Nerenberg is forced to clean up after them! Okay, I've got my knife, fork, and spoon - now where's dinner? asks Mrs. Perman. Christine Gould gets some last minute help from Mr. Huston. Mr. Filice can't complain that his grade 10 class is shy. Mr. Waters is pictured before the Beauty Culture department gets to him.

## Career and Technologies

Richard Quitely is flanked by Stephen Hamilton and Mr. Brown in the welding shop. Mr. Gerritsen and Susie Hartley are busy with another project. Mr. Hegerat lends a helping hand to Jon Burden in the auto shop. Mr. Butler, a new addition to the Languages department, strikes a pose - some people will do just about anything to get into the yearbook! Norm Lamothe and Mr. Sharp are a study in concentration.

## Calm

Seated: E. Worobec, L. Osland. Back: K. Orr, R. Townend, J. Belmont, C. Harle, P. McNeill, C. Rankel.

## Learning Assistance

J. Anderson, M. Cooper, M. Degenhardt. Missing: A. Yaciuk.

Clockwise, with left: Ms. Henderson looks like she's having a good day. Mr. Harle has developed a new use for Christmas tree balls - don't give up your day job, Mr. Harle! Mr. Worobec and Mr. Zarowny take part in one of those evenings everyone looks forward to, especially the students - parent/teacher night. Mrs. Miyagishima, Mrs. DeJong, Mr. Worobec, Mrs. Slemko, and Mrs. Batty look like they've got something up their sleeves (or smocks) - picture taken in October. The secret is out!! - picture taken in February. (Mrs. Slemko was stilllll waiting!) Mrs. McNeill is pictured with something that is to teachers what slurpees are to students. Something has the rapt attention of Mr. Cooper and Mrs. Osland.

# GRADE TEN

Well, we did it (or most of us did anyway). We managed to survive our first year of high school. Things can only get better after this. No more being looked down upon by the grade 11's; now we'll just be looked down upon by the grade 12's.

Most of us walked into the hallowed halls of JP back in September, in awe over the size of the students, the classes, and the building itself. Now that we've grown up some ourselves over the course of the year, those things which made us apprehensive at the beginning of the year are to be laughed at now - like trying to figure out how we were going to make it from our English class to the Tower in five minutes.

This year has been a growing experience for all of us, in one way or another. Rather than quaking in our boots, thinking about what horrible fate is going to befall us for having been late for Math class, we're now more concerned with planning for our futures and, of course, trying to figure out a way to plan a spare first thing in the morning or last thing in the day!

This past year has brought us into the JP community; hopefully, most of us will realize all that JP has to offer us and take advantage of those opportunities over the next couple of years.

# SPORTS

Just as our students strive for excellence in the classroom, they pursue excellence on the playing field. For many JP athletes, the lessons learned about winning and losing will be carried throughout their lives, in both their personal and professional lives.

Learning to deal in a positive manner with the pressures involved in athletic competition can be carried over into the classroom as well, where pressure of a different sort exists.

The camaraderie which develops in the locker room is something that athletes carry with them when they leave JP; it makes for binding friendships over time.

Trying to balance school work, part-time jobs, and social lives is hard enough for those of us who aren't involved in athletics. It takes an extremely talented and committed individual to deal with everything that we do in the course of a day, and yet still make time for after-school practices and weekend tournaments.

## REBELS KICK-OFF TO A GREAT SEASON

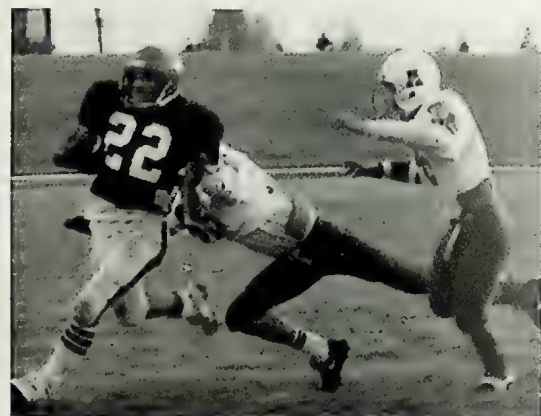

### Senior Football Team Hopes For Greater Successes Next Year

The Senior Football team had a very rewarding year, finishing the season with a 4-4 record. The team tied for third place in the league and should be commended on its efforts.

The greatest strength of the team, according to Coach Belmont, was the ability of the players to work together to achieve a common goal. The Coach would like to see his players place greater emphasis on physical conditioning and their commitment to excellence.

One of the highlights of the season was the semi-final game against Ainlay. Although the team lost 27-20, the players played extremely well.

Nick Samuel (inside receiver), Steve Connelly (offensive tackle), and Eric Schmidt (wide receiver) were selected to attend the north tryouts for the Provincial Senior Bowl. The coaches are expecting even greater things from all their players in the '93 season.

Front row: Mr. Worobec, Matt Slobodan, Doug Sadowsky, Rick Cammidge, Cory Leung, Matt Hauca, Nick Samuel, Chris Cameron, Rob Patton, Frank Walper, Todd Stewart, Yuval Levy, Sergio Cruces, Ron Raz, Mr. McDermid. Third Row: Ashley Olivari, Bryson Spencer, Brendan Byrne, Maciej Pelc, Clay Beauchamp, Trevor Pohle.

## SUCCESSFUL SEASON FOR JUNIORS

The Junior Football team had an incredibly successful '92 season. With a number of returning players and the recruitment of some very able grade 10's, the team finished the season with a winning 5-1 record. The leadership of the grade 11's and the ability of the grade 10's are counted by Coach Gallop as reasons for the team's success.

The enthusiasm and dedication of all the players and coaches made for a rewarding year for both players and fans alike. Some extremely lopsided scores, like 21-0 over Eastglen, made for an exciting season. The only disappointment for the players came with a hard fought loss in the semi-finals of the Premier Conference.

### Great things to come!

It is a credit to the efforts of the team and coaches that they wound up 2nd in the north and 3rd overall. Fans should expect even greater things from the team in the next football season.

## TEAM UNITY THE KEY TO A GREAT SEASON

### Senior Women Show Drive and Determination

The Senior Women's Volleyball team of the '92 season had an extremely satisfying year. The team finished the season off with a fifth place finish in the Premiere Division.

The players did very well in tournament play, placing third at Okatoks and NAIT. They also participated in tournaments in Saskatoon and Lac La Biche. The Senior women made it to the semi-finals of the city championships where they lost a hard fought match.

Maria McKenzie and Keri Tilley were chosen by their teammates to be a part of the All-Star tournament in December. Coach Burrows saw as strengths of this team their defensive game, spirit, and team unity. Their 'never say die' attitude is something that impressed both fans and coach alike.

This year's team was very successful. The team started off by winning a silver medal at the NAIT Invitational and followed that up with a quarter finalist finish in the REB Early-Bird.

League play found the team in the Premiere Division this season. It was a tough year but the team played well and finished in fifth place.

To finish the season off in style, the Seniors won the gold medal in the Okotoks Invitational and placed third in the Wow Pow Tournament in Lac La Biche.

Two players were named to the All-City all-star team, Cory Pawluk and Damien Williams. Coach Cooper was selected to coach the team.

The players and their coach would like to thank the students and staff for their support during the season.

# JUNIOR WOMEN SHOW JP PRIDE

## Dedication and Commitment is the Key

The Junior Girls' Volleyball team gave the fans something to really cheer about by winning the quarter finals, semi-finals, and then progressing to second place in the city championships.

Although this was a team which had hoped for better stats in the regular season, it exhibited a team spirit and that old JP pride which was unparalleled.

Consistency and the ability to play under stress are things which Coach Percy would like to work on with the players. The Juniors participated in a number of tournaments, including the Pre-Season Tournament at McNally, as well as tournaments at Queen E., Stony Plain, and Jasper Place. During league play, weekly MVP's included Cynthia Soneff, Michelle Hunter, and Jane Yakula. All of the players should take pride in their '92 season.

# JUNIORS LOOK AHEAD TO NEXT YEAR

## Team Looks Forward to Better Things Next Season

The Junior Men's Volleyball team is to be commended for its display of dedication and hard work over the '92 season. The team camaraderie developed by the players over the course of the season made for an enjoyable season for both the players and the coaches.

The Junior Men participated in tournaments at Scona, Memorial, and Queen E.

The highlights of the year for the coaches were that the team lost only one match at the Queen E. Invitational, and of course, beating the Junior Women in a battle of the sexes!

The attitude exhibited by the players and the leadership skills shown by a number of players made this a memorable year for Coaches Harle and Hardy.

## trip to texas highlight of season for seniors

The JP Senior Girls' basketball team provided some exciting b-ball entertainment for Jasper Place fans in the 1992-93 season. This was a team which Coach Kozakavich, better known as Shelaine to her team, admired for its physical toughness and aggressiveness.

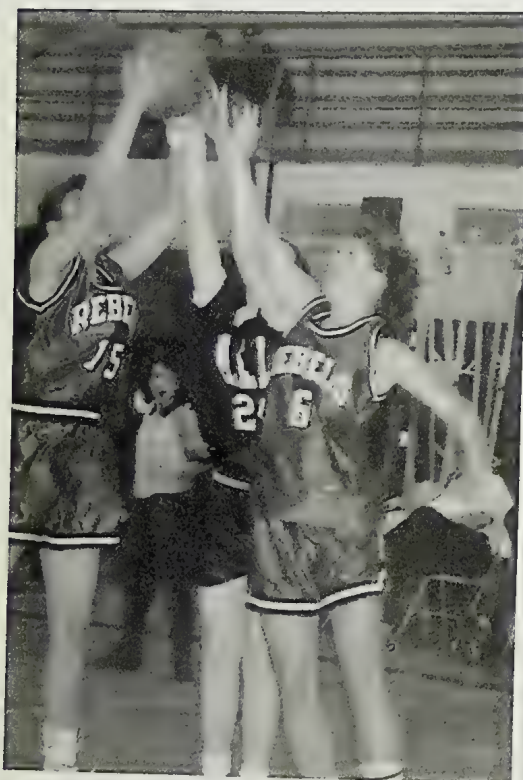

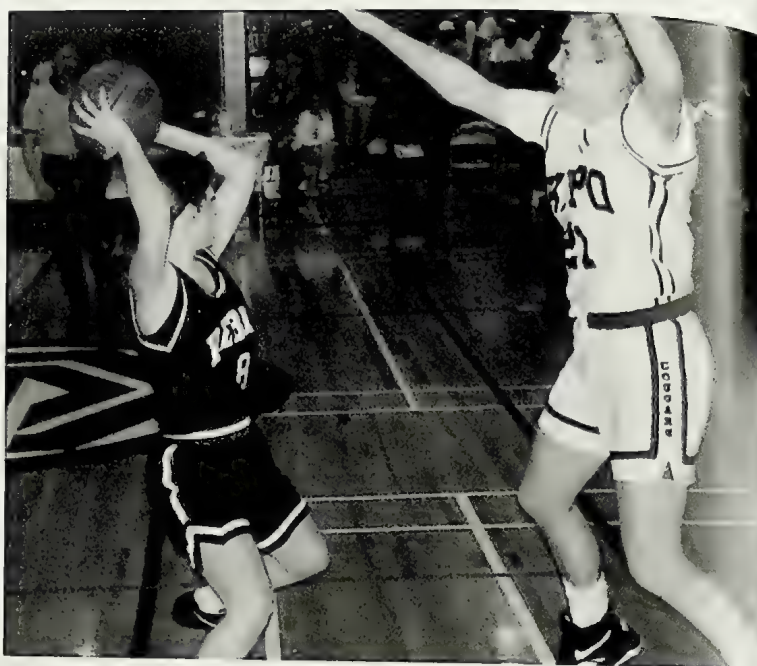

The Senior Women finished regular league play in fifth place overall; they fought their way to third place overall during the playoffs. The team's offensive scoring power is one thing that stands out in the coach's mind as a skill which needs to be worked on for the next season. This season, the Seniors participated in a number of tournaments, including our own REB classic, the St. Albert Showdown, and a tournament at Salisbury Composite High School. The Senior team finished the St. Albert tournament as Division D champions with Romeeta Prasad being selected All-Star.

One of the greatest accomplishments for the team was playing what they considered to be their BEST game of the season - their final game of the year against Ainlay in the semi-finals. All the hard work and effort finally paid off, with the women displaying confidence and putting a whole season of learning into their game.

Unquestionably, the highlight of the season for the girls was the opportunity to participate in a tournament in Kerville, Texas (December 28-30) in which the team had three very competitive games. They celebrated New Year's in Texas, returning on January 3.

The team was able to sightsee and take in an NBA game between the Spurs and the Warriors; the Cotton Bowl game between Notre Dame and the U of Texas provided for some thrilling moments, too! This was a trip which they will remember for some time to come.

## SENIOR MEN LOOK AHEAD TO NEXT YEAR defense was the strength for senior men

The Senior Men's Basketball team is looking forward to becoming an even stronger team for the next season. This will be a challenging task as a number of strong veterans and leaders, like Duane Anderson, Greg Zapisocki, Karim Anglin, and Nick Samuel will be graduating.

The coaches of the team were impressed with the defensive abilities of the players, but realize the need for a stronger offense. Two players who don't have to worry about their offensive ability are Emil Fidler, who averaged 19.5 points per game and Duane Anderson, who averaged 15.8 points per game.

During this season, the team participated in the REB classic, the Raymond Sugar Bowl, as well as tournaments in Spruce Grove, Red Deer, and Bev Facey. The REB tournament, as always, was a great experience for the players. Being able to travel to Texas over the Christmas break was also an incredible experience for the Senior Men's team.

## JUNIOR WOMEN MAKE GREAT STRIDES

defense key to stronger team next year

The Junior Women's Basketball team showed a vast improvement over the course of the 92-93 season. According to their coach, Ms. Gibbons, the players trained and worked hard to become a team which was in contention by the end of the season.

One of the highlights for the team was being able to participate in a basketball tournament in Saskatoon. They also played in the REB tournament, as well as tournaments at McNally, Salisbury, and Queen E. Rachael VanderMeulen did the team, not to mention the school, proud by winning the REB Jr. Girls' Hotshot competition.

The end of the season was a heartbreak for the team, as they lost to the team which would become the eventual City Consolation Champs - Queen E., by only one point.

## JUNIOR MEN MEET THEIR GOALS

### juniors finish in fourth place

The goal which had been set out by the Junior Men's team at the beginning of the basketball season, that of finishing in the top four, was one which the players and their coach worked hard to achieve over the course of the season.

The intensive desire of the returning grade 11's and the athletic ability of the grade 10 rookies were seen by their coach, Mr. Burrows, as the greatest strengths of this young team.

During the season, the team participated in the following tournaments: REB, the Referee's Tournament, McNally, Lindsay Thurber (Red Deer), and the Eastglen Tournament. Two of the Junior players were singled out at these tournaments for recognition - Steve Kivi was selected an All-Star at REB and Aaron Dietz was selected an All-Star at the McNally Tournament.

"It was a privilege to work with such a tremendous group of young athletes."  
- Coach Burrows

*The REB keeps on getting better!*

## SLAMMIN' EM' IN AT REB '92

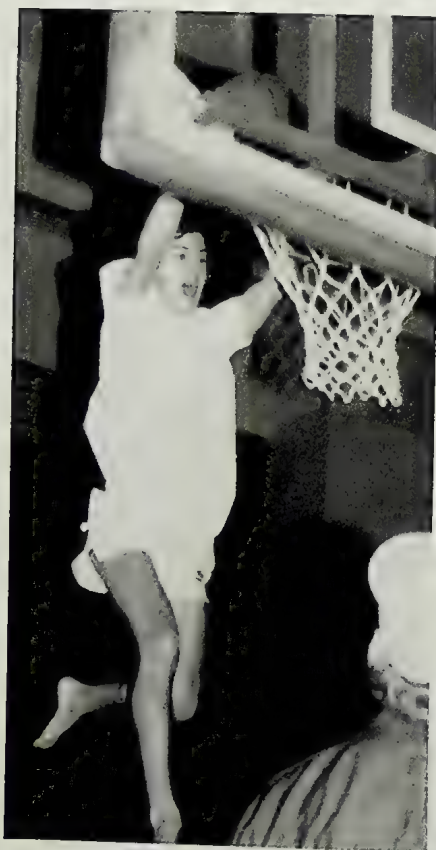

Once again, the REB Invitational Earlybird Tournament was a resounding SUCCESS!! Over twenty teams competed in what was the eleventh anniversary of one of the best basketball tournaments in western Canada.

Teams participating in this year's REB came from as far away as Niagara Falls, Ontario; our neighbours to the south were admirably represented by teams from Houston, Texas; Livingston, Tennessee; Washington, DC; and Moraga, California. The presence of Greg Newton, a 6'11" center from A.N. Myer Secondary School in Niagara Falls, drew the fans, who quickly became Newton converts, in droves. Newton is a player to watch for in the future, as he will be playing for Duke University in the States, and is one of Canada's best hopes for an NBA prospect.

The opening ceremonies, once again (contrary to what Mr. Staples had to say in the Edmonton Journal), were unbelievable! A tribute by a group of students to Carlyle Jibbison was a moving part of the ceremonies. And who can forget the slam dunk of the decade?! Gary Newton's leap over teammate Jamie Coull was the stuff of which legends are made and will be talked about for some time to come.

The tournament came to an exciting conclusion as Anacostia of Washington, DC won the Senior Men's Varsity with the girls from Moraga, California taking the Senior Women's Varsity.

## CROSS-COUNTRY

The Cross-Country team had an extremely busy season this year with competitions and a trip to Spokane for Bloomsday '93. Coach Gibbons commends the team for a great attitude and comradery of the members. Lee Hartmann placed 1st in the Junior Boys' 400m Zones and 2nd in Provincials. Jason Reist placed 6th in the Zones and 7th in the Provincials, while J'aime Samuel came in 8th in 400m Zone championships.

## CURLING

The Jasper Place curlers were divided this year into two teams. The Junior team slaughtered the competition by winning eleven straight games, ending the season in second place overall. The Senior team is looking ahead to next year to avenge the losses of this season. According to Coach Funk, there is great potential for a strong senior team for next year.

## WOMEN'S RUGBY WOWS 'EM YEAR AFTER YEAR

### Jasper Place Women Have a Winning Attitude

The past 5 years at Jasper Place have been very exciting for Women's Rugby. In 1988, we started up a team with girls who had no clue what this game was all about. They learned quickly, however, and went undefeated in the 4 team league (Shep, Ainlay, and McNally being the other teams). That team also finished the year by winning the 'Wrap Up' Tournament which also had teams from Calgary competing. Not too shabby for a 1st year team!! The league was officially made a part of the Edmonton Public High School League in 1989 and a City Championship was set. The teams in the league grew from 4 to 6, and now there are 8 teams competing.

The next JP teams were just as successful as the first team. Over 3 years, they lost only 1 game, winning most games by 30 or more points. We captured the City Crown each year and won these championships with convincing victories as well. Each year, the girls train very hard to attain this high level of excellence. They are to be commended for their commitment to the Girls' Rugby program and outstanding representation of Jasper Place High School.

Many thanks to all the girls!  
Coach Kozakavich

# TEAM ELEVATED TO PREMIERE DIVISION

## Players Looking Forward to Regaining Title

After finishing first in the City League at the end of last year's season, the Men's Rugby Team was elevated to the Premiere League for this season. The team lost a number of veteran players but still has a good foundation of veterans, especially in the forwards. Coach Gallop has recruited a number of rookies who are looking forward to playing what is a 'new' game for them. The team, as well as Coaches Gallop and Game, is anticipating another strong, successful season.

# GRADE ELEVEN

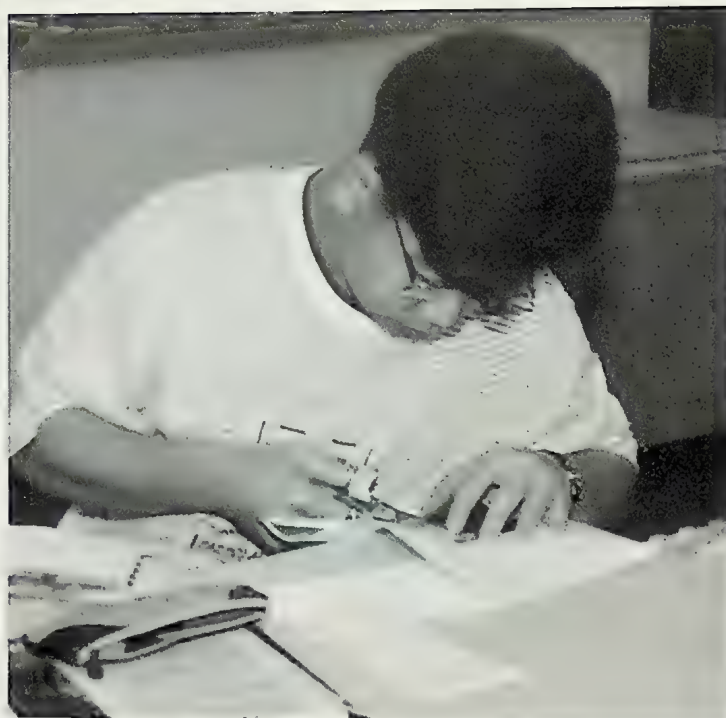

Well, this is it - just one more year of high school to get through, and then it's on the road to freedom. Now's the time to sit back and decide what we really want to be when we grow up. Great things are definitely on the way - the choicest locker locations, more spares, no more of that 'middle child' syndrome, being let out of class for grad assemblies...yep, life is going to be good. On the other hand, we also have departmentals to look forward to.

Over the past year, we've all grown as individuals and many have made a conscious decision to become more involved in the world around us, rather than simply drifting through life in a haze which was the norm for many of us back in grade ten. As we look forward to ruling the school next year, we should also look equally forward to ruling our own lives, because in the long scheme of things, next year really does matter.

# FINE ARTS

The artistic talent which can be found at Jasper Place is truly phenomenal. Walk into a music recital or a band practice on the sixth floor, drop in for the dress rehearsal of the current Drama production, take a moment to appreciate the magnificent art displays which we have all over the school, and you will get just a small idea of what goes on in the JP Fine Arts program.

We are lucky to have excellent facilities which allow our students room to grow as artists, whether it be in drama, music or art. The number of students that JP has sent on to Fine Arts institutions throughout the country attest to that.

The dedication of the students is clearly evident in the work that they put out, while the commitment of the teachers is evident in the large number of students taking the Fine Arts courses at JP. The success of the program can be directly attributed to teachers such as Mr. Townend (music), Mrs. Buchkowsky (art), Mr. Dmytruk (art), and Ms. Bristle (drama).

# MUSIC

## Show Choir

The Show Choir meets two times per week, allowing students to earn three credits. The choir combines music and dance in presenting routines which range from popular music of the sixties to current hits. The choir is for those who wish to showcase their abilities, and at the same time, provide enthusiastic entertainment at a number of functions, including the REB opening ceremonies, JP Open House, the Night of Music, and a number of other concerts.

## Concert Band

The Concert Band is the primary performing band at Jasper Place, and is made up of students from all grades. These students perform in a wide variety of functions throughout the school year, as well as participating in a number of competitions. This year, the Concert Band performed at Awards Night, the JP Open House, Commencement ceremonies, and the Alberta Band Association Festival in Red Deer, as well as a number of other concerts. The band also went on a trip to Abbotsford and Vernon, competing in the Abbotsford International Band Festival.

## Stage Band

The Stage Band involves a small group of musicians who meet twice per week during lunch hour to play Jazz. This year, the group performed at Awards' Night. The Stage Band is kept busy performing concerts over the course of the year. A number of the performers with Stage Band are also kept busy as a result of their involvement with the Concert Band.

MARCH  
17<sup>TH</sup>

Top row, left to right: Mrs. Stiles and Ms. Marciak are served up scrumptious salads by Phil Goddard. Jamie Stark and Lauren Lemish inform visitors of the various second languages programs. Middle row: Fabrice Nahmias is the official pizza maker of the '93 Open House. Can't find the tower? Beth Cawood is more than happy to direct those dazed by the size of the school. A student, who wishes to remain anonymous, gets a charge out of the Science display. Joanne Stone's masterpiece is one of the many on display during Open House. Bottom row: The music students perform at the Sidewalk Cafe, while their counterparts make up what became a popular attraction - the Roving Musicians. Laura Chalcraft gives her mom a trim. JP students take time out from their various duties during Open House to enjoy the art display in the newly renovated Student Lounge.

# ACTIVITIES

One thing we definitely cannot complain about at JP is the lack of clubs and activities. We're fortunate to have the opportunity to participate in a number of after-school activities, ranging from working in our very own zoo to creating a literary magazine to scuba diving in Mexico, and the list goes on and on and...

“DON'T JUST  
THINK ABOUT  
IT - DO IT, DO  
IT, DO IT!”

Those students who chose to take advantage of the extra-curricular opportunities have gained the kind of experience which can't be found in the classroom or in a book. Those who were members of the Students' Union Council, for example, will take that 'know-how' and experience into their chosen careers. Participation in a wide range of clubs in high school also looks great on a resume or a university application form. And it's a great way to meet members of the opposite sex!

NEVER  
HAD  
IT  
SO

## CREATIVE WRITING

The JP Creative Writing Club meets on Tuesday at lunch hour in Room 204. Members of the club have the opportunity to share their work and listen to others. The club is also actively involved with editing and publishing JP's literary magazine, Rebel Runes. This magazine was published this year, after months and months of hard work. The poetry and short stories of many students from a number of English classes make up this literary magazine.

Jason Johnston, Danny Moar, Kim MacDonald, Mrs. Day.

## TRAVEL CLUB

This summer, up to 30 JP students will travel to Europe for a 22 day tour. This includes Rome, Florence, Venice, Innsbruck, Salzburg, Munich, Heidelberg, Strasbourg, Paris and London. While our classmates are busy with their summer jobs, we will be sunbathing on the Mediterranean, shopping in Florence, seeing all the sights we've only heard about: Italy (Michelangelo's works), France (Euro-Disney), and London (the Hard Rock Cafe). About the time grade 12's are receiving their diploma marks we will be in London, enjoying a West End theatre production and all that London has to offer.

This trip will be the biggest learning experience of our lives. We will learn to live with a wardrobe limited to one suitcase, how to get along with someone who does not speak English, how to fit everything into our suitcase, and how much we really do love our bratty brothers and sisters! As they say, distance does make the heart grow fonder!

Row one: S. Mottershead, A. Lillies, S. Clarke, R. Tsoukalas, C. Alexandropoulos. Row two: E. Park, J. Devine, C. White, S. Stewart, A. Sederski, Mrs. Arnold. Row three: L. Lemish, R. Willard, D. Bellerose, D. McWhirter, S. Burgers, M. Anger. Missing: A. Griffin, C. Matthews, M. Bengert, V. Fang.

## AMBASSADORS

The Ambassadors Club this year was made up of over 50 students who were actively involved in many different activities in the school. The Ambassadors helped out with events such as: Volleyball Tournament (we hosted 32 teams); Awards Night; the 25th year Reunion; Post Secondary Day; Alex Taylor Halloween Party; Inter-agency Meetings; REB Basketball Tournament (24 teams hosted); Junior High Orientations; and Open House. The Ambassadors acted as Hosts and Hostesses for these various events, showing people around the school plus providing many other services to the students, the school, and the community.

Row One: Lester Chute, Kimball Layton, Lisa Lyseng, Kristy Olesen, Michelle Pallier. Row Two: Todd White, Nasiche Ferdinand, Melanie Gaskin, Ricardo Martin, Crystal Brown, Thi Loan Phan, Anna Bui, Lenore Jaglal, Stephanie Litchfield. Row Three: Jen Stone, Rebecca Countaway, Robin Lyn-Cook, Roseanne Wilson, Shelley Maxfield, Ana Serrano, Yen Tran, Kori-Ann Deby, Loan Bui, Nicole Rochlitz, Mrs. Osland.

## S.W.A.P.

Students With A Purpose - trying to find out how they get the caramel inside a Caramilk bar and a whole lot more. Hosts of the 50 cents hot dogs and home of Tex, Guav, Telly, assorted other Sesame Street Characters, and the odd students. And, of course, Fidel. The year was wicked awesome and our little conference room soon had every chair full. This year, S.W.A.P. had reported growth, maturity(?), and a few lives changed for eternity. God is the best.

Row One: Mike Spoffard, Larissa Broomfield. Row Two: Chris Wood, Lorne Eads, Suzelle Edwards, Chris Curtis, Wayne Hoover, Cathey Clayton, Lynda Paquette. Row Three: Tyler Neilsen, Kyle Kerber, Steve Perraton, Debbie, Crystal, Shauna Cunningham, Darren Griffith.

## S.T.O.P.P.

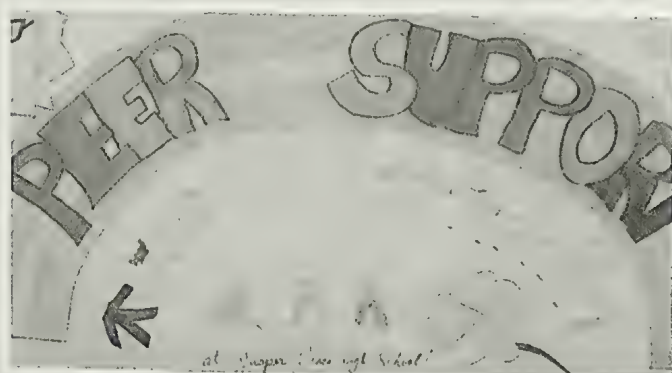

S.T.O.P.P., also known as Students Together on Promoting Peace, has become one of the most important clubs in the school. This conscience-awareness raising club has been involved in everything from writing letters for Amnesty International to spearheading food and clothing drives. These students have also taken part in the 30 Hour Famine, as well as promoting recycling projects within the school itself.

Sheri Etherington, Lorann Berlinguette, Judy Heilik, Erin O'Brien, Mr. Filice, Jade de Bussac, Carmen MacKenzie. Missing: Carrie Bukvi, Christine Uhlich, Joanne Stone.

## PEER SUPPORT

Students who require help, whether it be on a personal or academic level, often have trouble turning to the adults in their lives for assistance. That is where the JP Peer Support club takes importance. The members of this club are students who have been given training in helping their fellow students with any number of issues or problems. This select team of individuals is trained to listen to the problems of their peers and to provide support. The Peer Support team meets weekly, with leadership being provided by Mrs. Wyley, Mr. Orr, Mr. Huston, Mr. Hoggins, and Mr. Gable.

Front: Ryan Northcott, Catherine Gillies, Lauren Lemish, Cynthia Soneff. Back: Mr. Huston, Chris Wood, Greg Johnson, Carmen MacKenzie, Mrs. Wyley.

## S.A.D.D.

One of the newer clubs at J.P. is Students' Against Drunk Driving. S.A.D.D. has tried to have an impact on each student by attending CALM classes and challenging them to sign a contract to not drink and drive or ride in a car with someone who has been drinking. On the contract, there is also a place for a parent or guardian to commit to driving the student if the need should arise.

This group also helps at the safe grad presentation by handing out contracts and by pointing out the effects of drinking and driving. S.A.D.D. members have had the opportunity to attend conferences in the city and in Calgary to become more informed about this serious problem.

## CHESS CLUB

One of the most popular clubs at JP is the Chess Club. The combatants meet on Wednesday and Thursday at noon for a high-paced, action-packed, non-contact game of chess. What better way to match chess skills than in a friendly setting at the Chess Club?

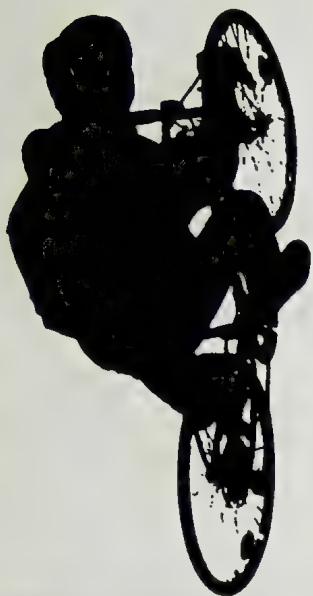

Standing: Mr. Brown, J. Buburuz, J. Desjarlais, C. Bourbonnais, C. Beaton. Seated: R. Willard, D. Eisenbarth, J. Collins. Missing: B. Kropinske, M. Sundby, S. Hazen.

Seated: Christine Tan, Mr. Cooper, Carrie Bukvi. Standing: Brad Bulman, Dave Salmon.

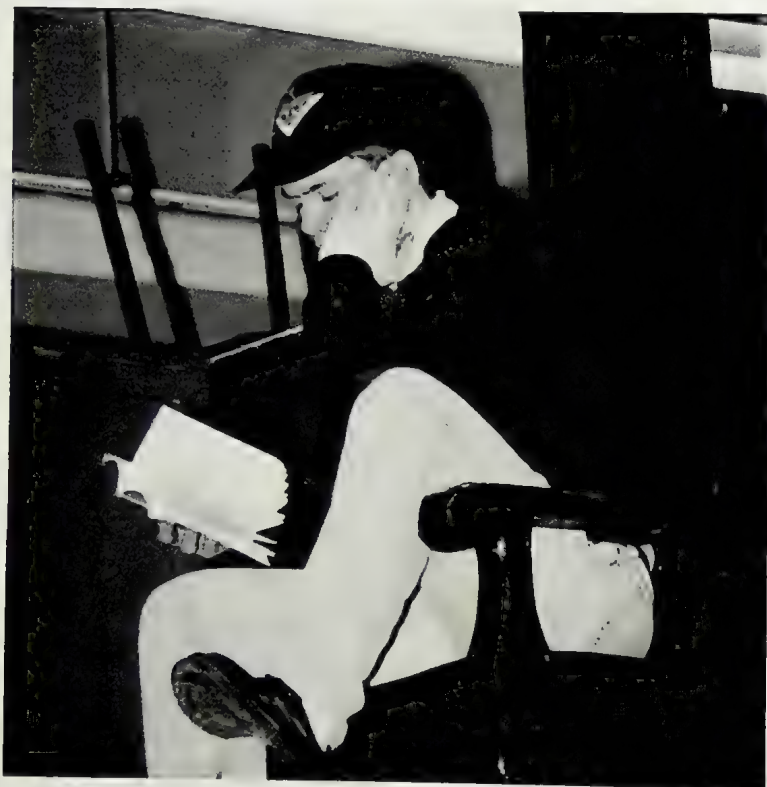

The Bicycle Touring Club was established 11 years ago and is one of the largest clubs in the school. In the past, bicycling destinations for the club have included the Alberta Rockies, the Okanogan region of B.C., Logan Pass in Montana, and a trip from Kamloops to Vancouver. Students equip touring cycles and mountain bikes with tools for maintenance and repair, as well as first-aid kits and water. Trips this year include the Logan Pass in Montana, and the Golden Triangle - an extended trip from Banff to Radium Hot Springs to Golden and back to Banff.

## BICYCLE CLUB

## CHEER TEAM

Annette Breakwell, Miss Bulmer, Matt Nerenberg, Flossie Lim, Darin Turner, Sandra Turner. Missing: Jason Roberts.

## BADMINTON

The Badminton club is one of the largest and most thriving clubs at JP. This club offers students the opportunity to participate in badminton on a recreational level. The club operates on Tuesdays and Thursdays at noon hour and after school on Friday, from October until May. Club supervisors this year are Mrs. Wyley, Mr. Sumyk, and Mr. Sherban.

Row 1: Hilal El-Zein, Colleen Luke, Binh Banh, Amos Jensen, Janelle MacDonald, Angeline Poirier, Nicole Moskalyk, Luong Phan, Thomas Lo. Row 2: Mrs. Wyley, Jeff Dayton, Winston Poon, Darrell Prodaniuk, Gerald Prodaniuk, Mr. Scherban, Jawad Choudhary, Ket On, Mr. Sumyk.

## GERMAN

This year in the German Club we've been very busy. Besides watching some very interesting German comedies, we had the opportunity to take a trip down the German part of Whyte Avenue. Each year, we perform radio plays, and this year is no exception. Even if you don't speak German fluently, you're always more than welcome to drop by and see what the German club is all about.

# ZOO NEWS

Three years ago, Japer Place High School instituted a new and most unusual program. It remains, today, the only program of its kind in Edmonton offering students the educational opportunity of a lifetime.

The Jasper Place Zoo is a collection of over 100 exotic animals currently residing on the second floor of the school tower. Up to 30 high school students are given indepth training in the care, nutrition, management, and handling of a wide variety of animals including snakes, lizards, turtles, ferrets, skunks, parrots, and monkeys. Field trips to larger zoological facilities are an integral part of the program for the students, exposing them to a vast array of employment opportunities. In addition, the Jasper Place Zoo is an extremely popular field trip site for other schools and institutions. Each year the Zoo hosts over 100 tours involving more that 2000 people, ranging in age from 2 to 92 years old. Numerous senior citizens, handicapped people, and disadvantaged children have had a chance to interact with animals they could only before observe in books and on TV. The Zoo is also visited by international field trips of students and staff from Japan, Germany, France, and the United States.

The Zoo Program offers the students an opportunity to visit the zoological facilities of the Edmonton Valley Zoo and Calgary Zoo. Students receive "behind-the-scenes" tours where they meet professional zookeepers and the animals in their care. These special experiences allow students to learn more about exotic animals and discover whether they wish to pursue employment in the area of animal husbandry. This year the students have set some ambitious goals. One is to visit a number of zoological locations in California such as the Los Angeles Zoo, Sea World, Safari Park, and the San Diego Zoo. Eighteen students and four adult supervisors are scheduled to travel to California at the end of June to visit the aforementioned facilities over a nine day period. We have all agreed to commit to raise 65% of the cost through a variety of fund-raising schemes. Recently, the parents of the students in the Zoo Program formed a non-profit Association to coordinate fund raising for the Field Trip.

The Zoo is an incredible asset to the school. It is great for public relations and is an important link to feeder Junior High Schools. It has made J.P. prominent and noteworthy in Edmonton and the communities in close proximity to the City. The Zoo Program has attracted many students to J.P. and has influenced even elementary students in their choice of high schools. The tours give students and parents of all ages an opportunity to experience close encounters of the animal kind. Students in my biology and science classes have the unique chance to learn numerous concepts by direct study of the animals; art classes at JP have a multitude of captive subjects to sketch; and English classes may use the animals to inspire them to write prose and poetry. The Zoo has been a dream come true for me. My two greatest passions are teaching and animal husbandry, both of which are fulfilled through the Zoo program at Jasper Place High School which I first started up at Wagner High School. After eight years of commitment and dedication to a life-long goal, I am satisfied with the outcome and enriched by all of the extraordinary experiences. I am proud of the students who have succeeded in the Zoo program - they are truly a very special breed.

-Howie Hoggins

One of the more popular attractions at the JP Zoo is Porkins, the pot-bellied pig. Poncho the Macaw counts on a friendly visit from Bonnie Koprowski to get him through the day. Heidi Vandenhouten is one zoo worker who has a fond spot for Rollie the Skunk. It looks like Rascal the Ferret is living up to his name as he tries to get away from Chelaine McKinley.

## VOYAGEURS CELEBRATE CANADA'S 125th

*Students have a good time as they meet their Quebecois counterparts.*

To celebrate Canada's 125th birthday, both the government and Air Canada paired up teenagers (aged 13 to 21) from all over Canada to strengthen unity throughout the country.

The government wanted to create programs and initiatives to make the public more aware of the constitutional issue; the Voyageurs program was one such initiative. English speaking students were paired up with Native students or with French speaking students. The program was a tremendous success and saw involvement in all federal constituencies.

Air Canada covered the cost of air fare and the government covered the incidental starter costs, such as hotel bills. So, from July 1st to mid-November, there were teenagers criss-crossing the country to see 'the other side.'

Mr. Duff and Mrs. Arnold began organizing this 'once in a lifetime' program back in May of '92. Some students were nominated by teachers while other students volunteered to make the 'sacrifice.' The first group of 10 students went in late September and the second went in early October. Both groups went to the Gaspé Peninsula in Quebec. This was truly an incredible experience and all of the participants had a great time.

-Anna Bui

Clockwise, with top left: Annette Breakwell has her 'official' Voyageurs bag in hand as she prepares to depart for Quebec. Shelley Maxfield takes a break during a sightseeing excursion. If their smiles are anything to judge by, the gang is happy to be in Quebec. Erin O'Brien finds herself at the other end of the camera. The group decides to take a breather in a scenic locale before continuing on their journey. Romeeta Prasad, Ana Serrano, and Antoine Tremblay get silly at the end of a long day. Jason, Bobby Arsenault, Patrick Bourdages, Edward Winkelman, Julie Arsenault, and Annette Breakwell had a great time with their involvement in the Voyageurs program. Christine Tan, Natalie Hagarty, Candice Ritchie, Mr. Guilbault, Anna Bui, and Lorann Berlinguette do a great job of representing JP in Quebec.

# STUDENTS' UNION

## The Year in Review

The 1992-93 school year was an extremely busy one for the Jasper Place Students' Union. As always, SU Council and Executive were kept busy over the course of the year with activities which helped out the community as well as those which entertained our own students.

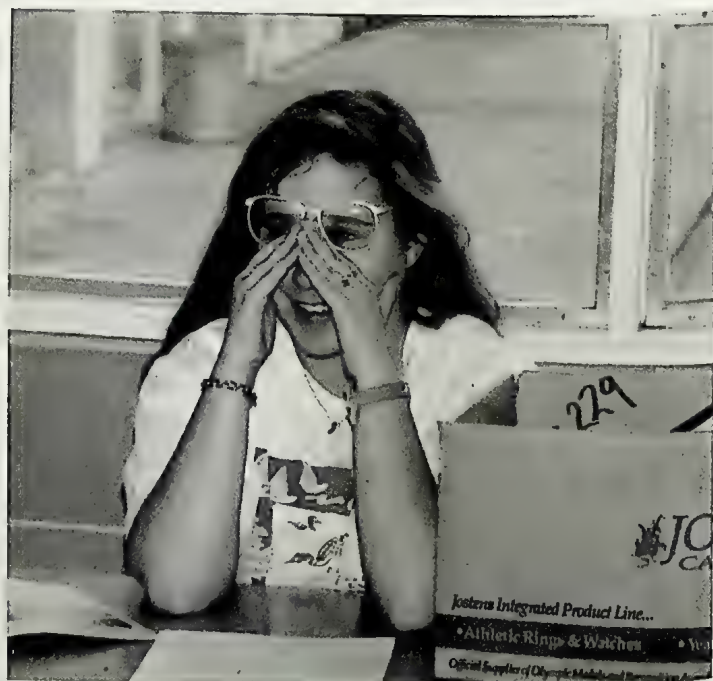

The Welcome to JP Bar-B-Que was a resounding success; not even the cool weather could put a stop to the proceedings which were moved inside. Students and staff were introduced to the many clubs which are in existence at JP during the Clubs' Day display. One of the highlights of the year, as always, was the Alex Taylor Halloween Party. The SU made sure that all of the kids who came over from Alex Taylor School left with happy smiles.

The SU Council took an important role at the REB tournament, planning and coordinating many of the off-court events. Earlier in the year, SU took part in the opening of the time capsule which had been sealed in 1967. Anna Bui and Margaret Dong were responsible for gathering materials to be placed in the 1992 time capsule. Another activity which has become dear to the hearts of SU members is the Christmas Tree program. A great number of gifts were collected which were presented to children who might otherwise not have received a Christmas gift.

Some of the more popular SU activities this year included the Halloween Costume Contest, Valentines' and St. Patrick's Day activities, and the Easter Egg Hunt. In addition, SU also went out to the Misericordia Hospital, an Extended Care facility, and elementary schools to spread some Christmas Cheer.

## PRESIDENT'S MESSAGE

Over the 1992-93 school year, I have come to realize what a rewarding and memorable experience Students' Union has been.

The reward is working with many wonderful people, and being able to learn from them. The memories are of the everlasting partnership with Alex Taylor School, the heart-warming Christmas Tree Program, and those fun events like Western Days and Arrest-a-Friend.

The continued support of the administration, teachers, support staff, and the student body has kept the Students' Union working hard. I would like to thank the Students' Union Council and Executive members for their hard work and dedication. A special thanks goes to Mrs. Osland, our staff advisor. All of these people were responsible for making this a great year!

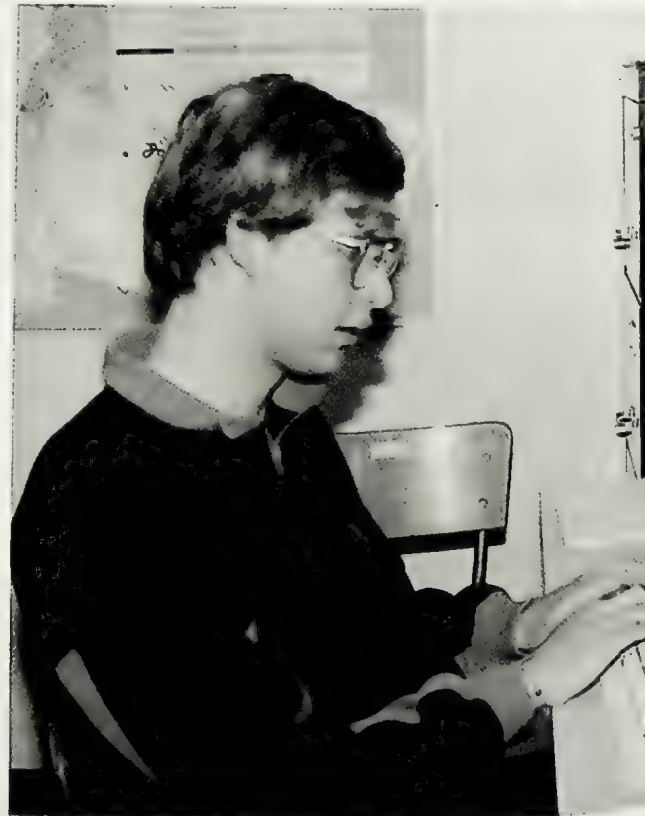

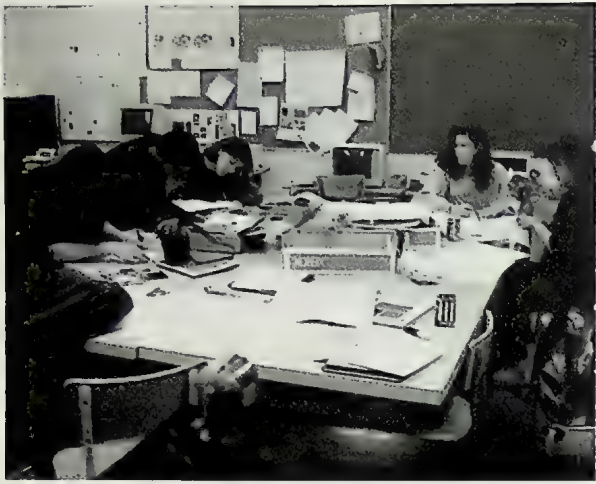

“Working with Students' Union has been a great experience”

It has been my privilege to serve as the JPCHS Students' Union President. I hope you all may reach your dreams and aspirations, and may your future be as rewarding as you make it!

The goal of this book was to put together a whole year full of memories. And what a job it was! Between the anxiety of pressing deadlines and busy schedules, we managed to make some major changes to this year's yearbook. We even had fun doing it! J.P. has "never had it so good" when it comes to the yearbook staff this year. Thanks to all of you for your dedication and your willingness to help wherever you were needed. To my co-editor, Ms. Parmar, thank-you. Your know-how, dedication and support allowed this book to be produced. Through the love and support of my God, my mom and my friends, I was able to work as editor of this book without going crazy. Although sometimes I did come close, right yearbook staff! For where your treasure is, there will your heart be also. Matthew 6:21. My prayer is that as each of you grow into adulthood and search for life's treasure, this book will help remind you of the friends and memories you made at Jasper Place High School.

Isabelle Gateau is all smiles as she puts the finishing touches on a layout while Janice Boudreau concentrates on her job. Bottom: Kim MacDonald enjoys selecting pictures for Cathey Clayton who completes a layout for a pressing deadline. Ed Winkelman is the resident computer expert, sometimes much to his chagrin! Anne Griffin and Nicole Moskalyk try to make sense of the picture cropper, better known as a torture device!

# JP AWARDS NIGHT

Once again, JP's best and brightest were recognized and honored during the annual fall Awards Night. Parents, teachers, and friends were on hand to applaud excellence in many fields - Academics, Athletics, Technology, and Service. The commitment that these students have shown in various fields is truly astounding and should serve as inspiration to others.

Page 102, clockwise with top left: Jade De Bussac is all smiles as she receives a Service Award. The Accounting 30 trophy is almost bigger than Jodi Johnston herself! Mr. Harris, Mrs. Dean and special U of A guest, John Hanlon, are on hand to witness excellence in achievement. The Masquerade Theatre trophy is presented to Karen McEwen.

Candice Ritchie adds the Jasper Place Faculty Council trophy to her collection. Mr. Nerenberg, Mr. Kachuk and Ms. Rankel didn't realize what they were letting themselves in for when they signed up for the Awards Committee! Arjen Vanderzwan is proud to pose with his award.

# ALEX TAYLOR HALLOWEEN PARTY AND J.P. COSTUME PARADE

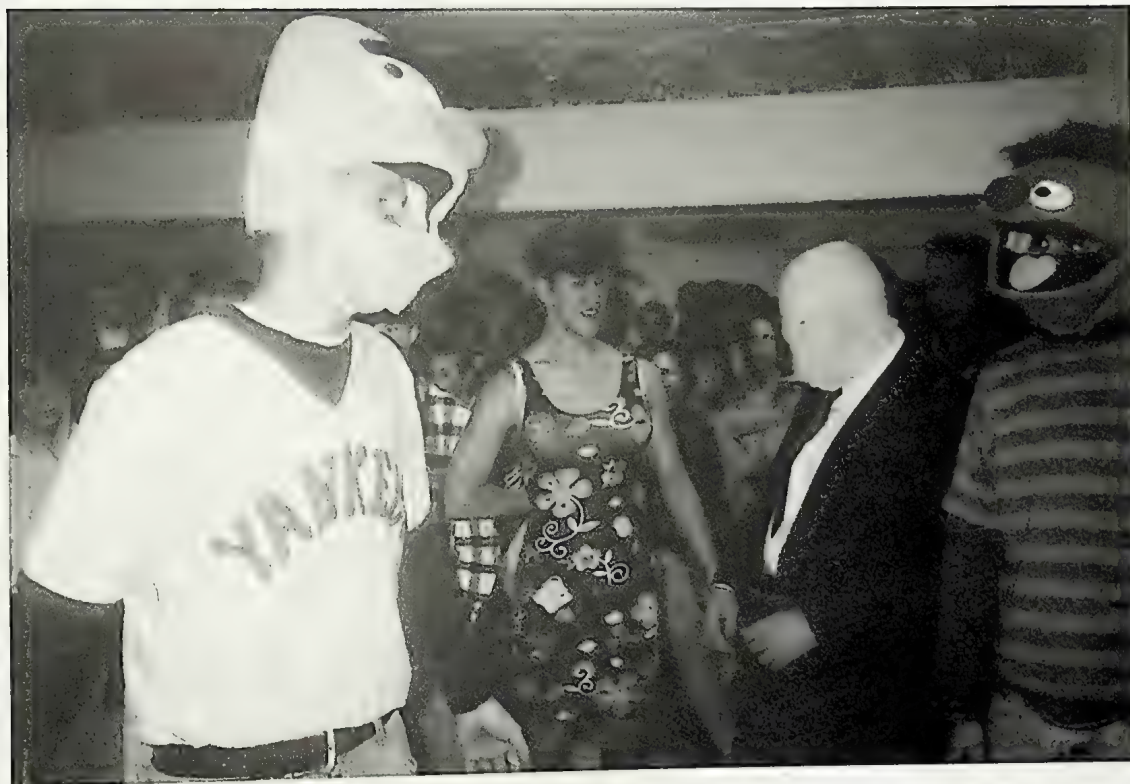

Jasper Place once again played host to the students of Alex Taylor Elementary School in what has become an annual tradition - the Alex Taylor Halloween Bash. Students from the elementary school enjoyed a fun-filled afternoon of activities, including face painting and the ever-popular wet sponge throw. A few of the SU members were lucky enough to be selected for the toilet paper mummy roll.

The monsters, ghosts, and goblins were out in full force at the Halloween Monster Mash. A costume parade and the judging of costumes took place over the noon hour.

Top row, from left: A Jack-o-Lantern waits in the wings. Cora Larsen makes up an Alex Taylor student. Dracula's wife gives our photographer the evil eye. A certain Science teacher looks like he belongs in a zoo! Middle row: The Alex Taylor students prepare for the sponge throw. Rahim Giga, Andrew' Waugh and Cameron Webb are the unsuspecting victims of the wet sponge throw. Sebastian Spyszyk, surrounded by Bert, Ernie, and a mummy, can really fill out a dress. Bottom row: Todd White won't be smiling when that roll of toilet paper gets closer to his face. The Crayola ladies, Sara Roper and Jaime Grinde, pass out treats. The lady in black has just finished off her latest victim. Ricardo Martin, Cora Larsen, Rosa Alvarez, Amynta Lee and Heather Woodruff ham it up for the camera.

# GRADE TWELVE

It's hard to believe, but we have reached the end of our high school years. The last three, and in some cases, four years have been an incredible experience. It's truly amazing to look at the current crop of grade 10's and think that we were actually that small, that naive, and that wide-eyed! As the saying goes, "we've come a long way, baby."

Now that we are looking ahead at the next phase of our lives, it is also a time to look back and reflect on just what brought us to this point: hard work, determination, late night study sessions, weekend parties, after school sports' practices, lunch hour tutorials, teacher and parental support, friends...

Twelve years of public school education may be coming to an end, but life education is just beginning. Good luck to all the other graduates; may life bring you what you are seeking and may you take advantage of everything it has to offer.

# senior class council

## the president's message

For many of us who are graduating this year, the past few years that we have spent at Jasper Place will become the most memorable of our lives. We entered grade 10 looking very similar, with the same expectations of high school. In the past three years, we have grown to be individuals and have determined just what type of people we will be in our adult lives.

Some graduates have already chosen the roads that they wish to follow; others have yet to build theirs. Graduation is merely an exit to the main highway. We are all going our separate ways now, but perhaps one day our

roads will cross again and our friendships will be just as strong as they are now. I extend a

special thanks to my fellow Grad Council members: Natalie Hagarty (Vice-President), Kerry Galbraith, Lisa Lemish, Erin O'Brien, Jade de Bussac, and David Salmon. Their commendable effort made this 1993 graduation a special and exciting one. A special thank you to our teacher advisor, Ms. Shapka.

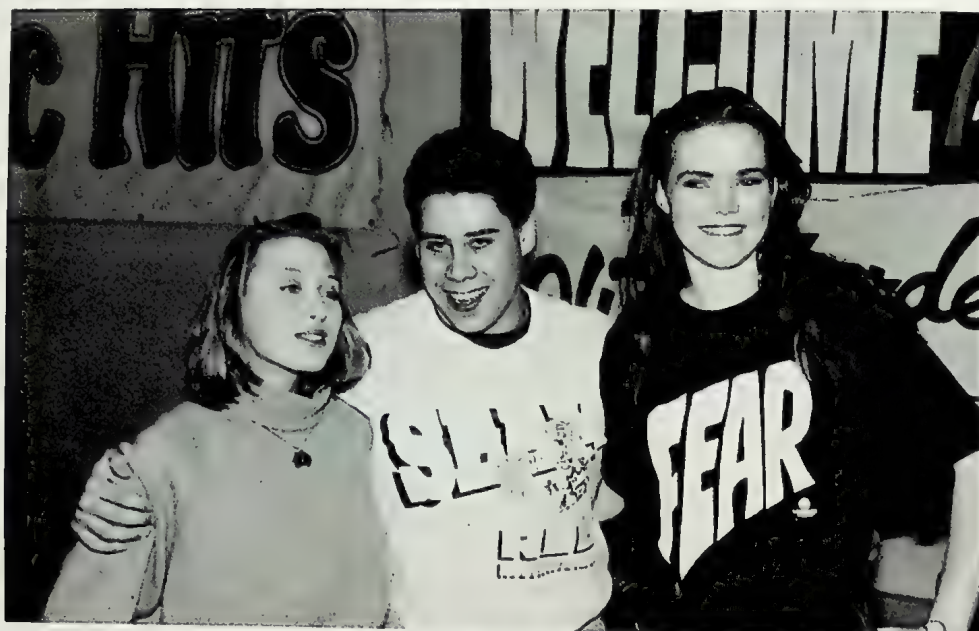

I would like to wish all of my fellow graduates the best of luck in the paths which they have chosen and success in all that they attempt to accomplish.

students have never  
had it as good as they do  
at jasper place, because...

“ QUOTABLE QUOTE ”

I think that the students here really know that their teachers care about them as students and as individuals. The opportunities for students here, in both academics and activities, are excellent.

Mr. Simpson

“ JP is a school where students can benefit from the tremendous variety of people. The teachers, students, and all others at the school have so much to offer that this is truly an enriched environment. ”

—Mr. Harris

“JP is a great place to work. The variety of people here means that no two days are alike.”

## To Boldly Go . . .

Your future is unfolding before you, and its potential is limitless. Yours is the generation that will be boldly leading Canada into the year 2000 and beyond. Our lives have changed a great deal in the past one hundred years, in the past one thousand years. We are approaching the most unique time in the history of humankind, and you can have a leading role.

I say to you, recognize your potential and go for it!

Congratulations to all of you.

## LET THE GOOD TIMES ROLL.....Student Life

A typical day in the life of the J.P. student is revealed; the trends, the cars and the jobs of prominent J.P. students are included in this section. This is how the "good times roll"(ed).

## AS GOOD AS IT GETS.....Faculty

When it comes to the faculty and staff at J.P., we have it "as good as it gets". Our faculty and staff give all they can to help the students succeed; they provide help sessions and act as advisors for our clubs and activities. This section gives them some well-deserved recognition.

## GOOD AND READY.....Grade Ten

Senior High can be scary at first, especially in a school as big as J.P. This year, the grade tens seemed to be "good and ready" to enjoy life in high school, where some of life's biggest decisions and choices await them.

## GOOD GOING.....Athletics

J.P.'s athletes achieved many successes this year. Our teams, coaches and supporters worked together to show what teamwork, sportsmanship and J.P. pride are all about.

## SO FAR, SO GOOD.....Grade Eleven

After completing Grade Ten, our Grade Elevens are now familiar with the ins and outs of the school and have discovered their niche at J.P. Our Grade Elevens show us what being in Grade Eleven is all about.

## LOOKING GOOD.....Fine Arts

The Fine Arts department at J.P. is definately "looking good". Our drama productions, art displays and music concerts are highlighted in this section.

## TOO GOOD TO BE TRUE.....Grade Twelve

Graduation, diploma exams, and decisions about life after high school are all important factors in students' lives during their final year at J.P. Is it "too good to be true"? Let's see what the Grade Twelves have to say.

## TOO GOOD TO FORGET.....Interests and Activities

Regardless of why we get involved, our clubs, S.U. activities and intramurals give us something to help make our years at J.P. memorable.
